3 METHOD OF PAYMENT

There are three payment options available. Parents must select one of these options and indicate their choice on the form, which will be sent to you.

- Option 1: Each term's fees are paid in advance before the first day of each term.
- Option 2: The entire year's fees are paid in full before 20 January 2012.
- Option 3: The fees are paid by monthly debit order in ten equal instalments, effective from January to October. The debit order may be extended to November and, if necessary, to December, if there is an outstanding balance on the account.

4 EXTRAS

Students generally incur extra expenses, over and above the normal fees, during the course of the term. In the case of parents selecting Payment Option 3, an estimation of the 'extras' will be added to the monthly debit order.

Extras: Statements are sent out at the end of EVERY month. Please ensure that the extras are paid regularly.

Pupils will not be readmitted after half term or at the beginning of the new term unless their accounts (fees and extras) have been paid in full.
